What are the lyrics to Wonderful World by Sam Cooke?

**A.** Claude-instant-100k [Poe](#)

Here are the lyrics to "Wonderful World" by Sam Cooke:

Don't know much about history.  
Don't know much biology.  
Don't know much about a science book,  
Don't know much about the French I took.

But I do know that I love you,  
And I know that if you love me too,  
What a wonderful world this would be.

Don't know much about geography,  
Don't know much trigonometry,  
Don't know much about algebra,  
Don't know what a slide rule is for.

But I do know one and one is two,  
And if this one could be with you,  
What a wonderful world this would be.

Now I don't claim to be an "A" student,  
But I'm trying to be.  
For maybe by being an "A" student, baby,  
I can win your love for me.

Don't know much about history.  
Don't know much about science books.  
Don't know much about the French I took...

But I do know that I love you,  
And I know that if you love me too,  
What a wonderful world this would be.
